

Expiry of Switching Authorisation obtained in 2020

Switching Authorisations obtained in 2020 will expire on the 31st of December 2023.

You are now able to nominate for the specific Switching Refresher training course/s to renew your current Switching Authorisation/s.

Electrical apprentices unable to attend T0838 training courses within the first 6 months of their Electrical Apprenticeship

The 'Safe Entry to High Voltage Enclosures' Authorisation cannot be issued to Electrical Apprentices who are within their first 6 months of their electrical apprenticeship.

Therefore, Electrical Apprentices are not permitted to attend a 'T0838 Working Safely On or Near Electrical Network Infrastructure in QLD (System Key for EQL Contractors ONLY) (1009)' training session.

This information has been placed as a 'note' on the 'T0838 Working Safely On or Near Electrical Network Infrastructure in QLD (System Key for EQL Contractors ONLY) (1009)' training course tab on the Esitrain website.

Esitrain is now processing Training being paid for by Invoice

Esitrain will recommence processing training requests, that are being paid for by Invoices, from the 6th of July 2023.
