

# Esitrain News

June 2021

## ***Esitrain changing to a new Learning Management System***

Esitrain is in the process of migrating to the new aXcelerate Learning Management System (LMS).

The changeover is scheduled to commence on the 1<sup>st</sup> of July 2021.

During this time, there will be a reduced number of face to face training courses available on the Esitrain website.

Esitrain will recommence advertising its 6 monthly training course schedules once the changeover has been completed.

The new aXcelerate LMS will have improved reporting functionality and trainee result notification processes.

## ***Esitrain's new Telstra IP Telephony (TIPT) phone system***

Esitrain has introduced a Telstra IP Telephony (TIPT) phone system that offers a complete unified communications solution that's simple, flexible, scalable, and highly reliable.

It improves Esitrain ability to send and receive voice, video and data while providing a consistent user experience across devices and locations.

The new phone number that can be used to contact Esitrain is 1800 262 353.

The old contact number 3664 5700 has now been redirected to the new contact number.

## ***New Licence Agreements period to begin in July 2021***

Esitrain will shortly be contacting all the current existing Licence Agreement holders and offering them the opportunity to renew their Licence Agreement, to access the approved Esitrain training material, for the 21/22 financial year period.

Details of the current Esitrain Licence Agreement holders can be found on the Esitrain Website at <https://www.esitrain.com.au/licensing-agreements>
